## DREAMS BEYOND THE CANVAS

# Visual Arts

The visual arts program is a nationally recognized program that encourages its students to explore personal visions through a variety of mediums and materials. Sculpture incorporates welding and casting, as well as non-traditional three-dimensional techniques. The department has developed a unique architecture program that offers advanced students internship opportunities. Painting and drawing classes provide the opportunity to work from live models. Extensive courses in black and white photography, digital photography and printmaking are also offered.
